Applications will only be considered complete after an interview has been conducted.

REQUIREMENTS FOR ADMISSION

The high school scholastic record, SAT I or ACT scores, and results of statewide tests such as the New York State Regents Examinations are of primary importance in determining a student's qualifications for admission. The Committee on Admissions also considers the applicant's character, potential, and contributions to school and community life.

closely with faculty and stellar classmates, benefit from cultural programming, participate in summer internships and research, and have the opportunity to collaborate with a professor on an intensive thesis project.

Students typically apply to and are accepted into the Honors Program prior to their arrival at Sy Syms. The application process is very competitive, and the average standardized test score in a cohort of applicants is a 1450 on the SAT (Critical Reading and Math), or 32 ACT Composite Score, and a high school average of 95. Admission to the Sy Syms Business Honors and Entrepreneurial Leadership Program requires Sy Syms honors students to exhibit excellent academic achievement as well as evidence of significant entrepreneurship and leadership potential. . Students applying for the Honors Program are considered for one of the academic scholarships available to applicants who show outstanding promise.

In addition, a limited number of spaces are available each year for students already on campus; such students may apply in early June for acceptance the following fall. To be eligible for consideration, students must have a GPA of at least 3.600, and submit the special application for on-campus students available from the director of the Honors Program. Students should only apply if they will be able to participate in the Honors Program for at least four semesters. There are no financial awards given to students already at Sy Syms who join the Honors Program.

INTERNATIONAL APPLICANTS

International students must file the Admission Application 4-6 months prior to the fall semester in which they wish to attend to allow sufficient time to complete the admissions, immigration, and visa processes. International students can obtain information about the immigration and visa process from the International Students webpage at www.yu.edu/Student-Life/Resources-and-Services/International/.

Application: Complete the online application form available at: www.yu.edu/admissions, including all required essays, and submit it along with the \$65 application fee payable to Yeshiva University in U.S. dollars.

Transcripts: All transcripts, both high school and college if applicable, must be submitted by the school(s). Transcripts submitted by the applicants are not considered official. A student who attended a Jewish high school should submit a Jewish studies transcript as well. All transcripts and copies of certificates qualifying the applicant for admission to university that are not in English or Hebrew must be officially translated into English and sent directly to the Office of Admissions by World Education Services, or WES (for more information, please visit www.wes.org). The student is required to submit results of any and all exit exams taken upon completion of the foreign high school (i.e., Baccalaureat, Bagrut, etc.).

Course Evaluation: Courses taken in a college/university need to be evaluated in order to be considered for transfer credit. The student must submit syllabi and course descriptions for all such courses taken. Please note that your course work can only be evaluated for transfer of credit once you have submitted the official transcripts,

college credit. A student who earns credit in any discipline must consult with the department chair before registering for advanced courses in that discipline.

AP credit is applied automatically once the Office of the Registrar receives an official score report from the College Board. Students must request that their scores be sent to Yeshiva University (code 2990), which they can do online. Students need not fill out any additional forms.

Policy on Credit for the AP Examinations (as of Fall 2016 for exams taken in 2017)

1. A score of 1, 2, or 3 does not earn credit or exemption.
2. A score of 4 or 5 earns credit for the equivalent course. In Computer Science A and Physics, a score of 5 is required to earn credit.
