VI. Jewish Values

The Jewish Values curriculum offers practical, experiential and actionable courses to prepare students for the workplace. The curriculum covers two broad types of issues (purely-business issues, and universal issues with a business lens). There are also two domains of interaction (within the Jewish world, and between the Jewish and non-Jewish worlds). The distribution of the requirement is as follows:

JUD 2620: Jewish Business Law

JUD 2630: Jewish Public Policy

JUD 2640: Practical Workplace Halacha

Jewish Values Elective

Up to three Hebrew courses, ranging from 1010-1030, depending on placement.

Students in JSS take 1203 and 1204 instead.

All students should take Hebrew language in their first year on campus.

Students who transfer from Yeshiva College and already satisfied some Jewish studies requirements at Yeshiva College should meet with Sy Syms academic advising to discuss which remaining Jewish studies requirements they may need to satisfy at Sy Syms.

Students in the Yeshiva Program/Mazer School of Talmudic Studies and the Irving I. Stone Beit Midrash Program take these courses in the afternoon college. Students in Isaac Breuer College of Hebraic Studies and the James Striar School of General Jewish Studies satisfy these requirements with courses at those schools with some modifications, particularly for JSS students. A student in MYP or SBMP typically takes 14 credits in Jewish studies courses which appear on his Sy Syms transcript, while a student in IBC or JSS transfers a minimum of 18 HES credits (3 per semester) to his Sy Syms transcript. Students who change Torah studies programs during their time at the Sy Syms School must consult with the head of their Torah studies program regarding the fulfillment of Jewish studies requirements and bring written approval to Sy Syms advising.
